# FAQ

## WHAT SHOULD I EXPECT?

---

An informal, resident and faculty-led experience highlighting our educational opportunities, facilities, city, and residency family.

You will join weekly conference for a short period, have an opportunity to meet in a small group with our faculty, tour our hospital, including the SIM lab, residency areas, emergency department, and other hospital facilities.

Residents will lead a glimpse tour of Corpus Christi, viewing our other educational sites, highlighting some areas where residents live, and enjoying a quick trip to some of our beaches and other favorite places.

The day will conclude by meeting back at the hospital to join the group after conference for lunch and another opportunity for discussion with residents, faculty, and staff. Following lunch, there is an opportunity for an optional shadow experience in the ED for as long as your time allows.

## WHAT IS INCLUDED?

---

An optional evening social the night before the planned visits will be hosted. Meals and transportation during the scheduled event are provided. Applicants are responsible for arranging their own travel to and from Corpus Christi, lodging, and all other expenses. We have provided accomodation recommendations for hotels near the hospital below.

## ACCOMODATIONS

---
